HEALTHY LIVING STARTS WITH WOOD & LAMINATE FLOORING

The dust mite, is a rather resilient creature. Multiplying indiscriminately in carpets the world over. Not to mention other germs and bacteria that get trapped in carpet fibre. All of which can be linked to hay fever, dermatitis and certain respiratory conditions. Which is why buying a wood or laminate floor from Floors Direct is the healthiest option for your family. What's more, cleaning is a breeze.

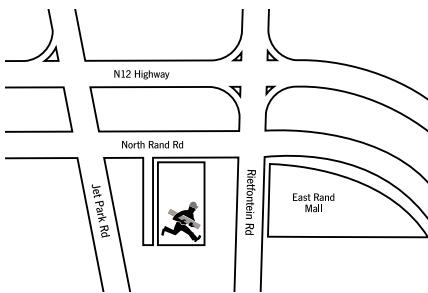

WE STOCK OVER 70 DIFFERENT COLOURS & STYLES OF WOOD AND LAMINATE FLOORING

OPEN 7 DAYS A WEEK
